

# PROGRAMME

## REMOTE WORK TRAINING MODULE - INTRO LEVEL

**Title:** Getting Started with Remote Jobs: CrowdGen, Appen, and More

**Trainer:** \* EDWINEY

**Audience:** \* Beginners interested in online freelance work

**Duration:** 1–2 hours

---

### **PART 1: Introduction to Remote Work\***

#### **Topics:**

##### **- What is remote work?**

- Common platforms (CrowdGen, Appen, TranscribeMe, Remotasks, etc.)
- Skills needed (Basic English, listening, typing, comprehension, consistency)

---

### **PART 2: Signing Up on Platforms\***

#### **1. CrowdGen (via Appen)\***

- Visit: [Appen signup link]
- Create a profile using real info
- Complete language and location details
- Take qualification tests
- Wait for project approval

#### **2. Transcription Platforms (e.g TranscribeMe, TranscriptionStaff, GoTranscript)\***

- Sign up with real name & email
- Complete short transcription test
- Use a headset and clear audio tools

#### **3. Translation Jobs**

- Focus on languages you're fluent in (e.g Kalenjin–English)
- Set up profiles on sites like ProZ, Gengo, Unbabel

UPWORK

---

### **PART 3: Tasks Training - How to Work**

### **A. Transcription Tasks**

- Listen to short audio clips
- Type what you hear word-for-word (verbatim or clean)
- Use tools like Express Scribe or Otter.ai
- Maintain punctuation and accuracy

### **B. Data Annotation\***

- Label images, text, or videos
- Follow strict guidelines (e.g. tagging, bounding boxes)
- Work on platforms like Remotasks, Scale AI, etc.

### **C. Search Evaluation Tasks (UHRS via Appen)\***

- Rate search results or ads relevance
- Need Windows PC and Microsoft account
- Tasks are short and pay per hit

---

### **\*PART 4: Payment and Tips\***

- Use Payoneer, Wise, PayPal depending on the platform
- Be consistent and pass qualifications
- Join community groups for updates
- Never pay to join legit platforms

---

### **\*PART 5: Final Guidance\***

- Be patient; work builds over time
- Focus on quality and accuracy
- Keep learning (YouTube tutorials, free courses)

### **---PROXIES AND VERIFICATIONS**

#### **End Note**

**Encourage Q&A sessions and guide them to create profiles immediately.**
